**RE: Endorsement of Dr. Robin Titus
Nevada Assembly District 38**

It is with great pleasure that I give my full support and endorsement to Dr. Robin Titus for the office of Nevada State Assembly – District 38.

Dr. Titus has long served Lyon County as, not only a physician, but a leader. She is a strong Fiscal Conservative who believes a government should not spend what it does not have. She also believes that bringing additional taxes to its citizen is an inappropriate answer to an out of control problem.

Dr. Titus, is a lifetime Nevadan, whose family has lived in Nevada since the 1870's, understands the importance that mining, farming and ranching have within Lyon County. She is also a strong supporter of our 2nd Amendment Rights which will be critical in the next legislative session.

Dr. Titus is a former Chairman of the Lyon County Republican Central Committee and has spent many years a representative on the State's GOP Central Committee. She is a tireless worker who will bring knowledge, experience, energy and most of all common sense to our state government. I can think of no one more qualified to represent our county at the state legislature than Dr. Robin Titus.

Bob Hastings,
Lyon County Commissioner - District 1
